HOW DO I REQUEST A DISTRIBUTION?

1. To request distribution from your HSA, you may select the link in the “I want to...” section, [Make HSA Transaction](#).
2. To create a transaction from your HSA account, complete the fields as prompted through the online HSA transaction wizard. You may choose to receive a disbursement issued to yourself or, someone else.

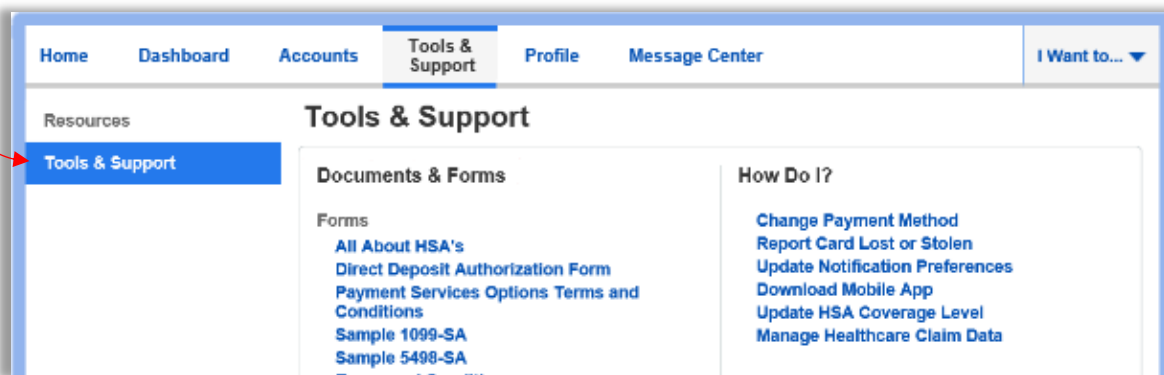

Did you know? For a convenient alternative, you can use your HSA debit card to pay for your medical expenses directly from your HSA.

The image shows a form titled "Accounts / Make HSA Transaction". It has a "Create Transaction" section with two dropdown menus: "From" (set to "My HSA") and "To" (set to "My Checking / Checking (xxxx0454)"). There is an "Update Bank Account" link and a note: "Based on your selections, you will be requesting a distribution (withdrawal)." A red asterisk indicates a required field.

The fastest way to get your money is to use your HSA debit card at the point of sale to pay for expenses. If you did not use your debit card, the quickest way to receive reimbursement is to sign up online for direct deposit to your personal checking account. Before you begin, make sure that your employer is offering direct deposit setup online.

1. From the **Home Page**, under the **Tools & Support** tab, click **Change Payment Method** under the “**How Do I?**” section.
2. Select **Reimburse Myself Using Direct Deposit** and click **Change Payment Method**. The **Add Bank Account: Direct Deposit Setup** page displays.
3. Enter your bank account information, and click **Submit**.
4. The **Payment Method Changed** confirmation displays.
5. If there is a bank validation requirement, you will be notified on the portal to look for a small transaction or “micro-deposit” in your designated bank account in the next couple of days to enter online, which will validate your account.

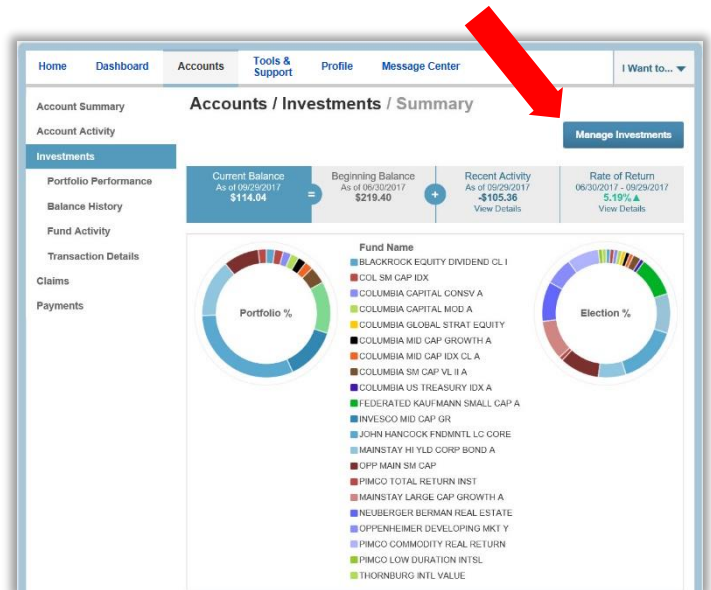

CAN I CONTRIBUTE MORE FUNDS TO MY HSA, OTHER THAN PAYROLL DEPOSITS?

Yes! You may contribute to your HSA by transferring from your personal bank account, and then report that contribution on your tax returns to claim your deduction at tax filing time.

1. To make a personal contribution from a personal banking account to your HSA, you may select the link in the “I want to...” section, [Make HSA Transaction](#).
2. If you have a bank account on file, you may use that as your contribution account. If you do not then there is a link to add a new bank account.
3. You may make a one-time or recurring contribution as you wish! Complete the transaction information and follow the remaining steps of the online HSA transaction wizard.
